## INSURANCE

Some agents say "The Best Companies," others "The Strongest," and still others "The Largest Companies." I simply say

JOHN W. DILLON, Agent,

Representing \$465,490,117.39 assets as per annual statement of companies represented in this agency on January 1, 1903. That tells the whole story. Call and investigate. No risk too large, none too small.

## CHEAPER GAS FOR BARRE

The Gas Company started out to furnish gas to its customers for all domestic purposes at a price of \$1.50 per one thousand cubic feet, with a discount of 25 cents per one thousand feet on all bills that are paid by the 10th of each month for gas consumed the previous month.

The Company adopted the policy from its start to reduce the price of gas as the increase of its business would permit, and in accordance with this policy, and of the generous support given by the citizens, we wish to announce that on and after June 1st, 1905, and until further notice, the price of gas to the ordinary consumer will be reduced 10 cents per one thousand feet, making the net price \$1.15 per one thousand feet if the bills are paid by the 10th of each month for all gas consumed the previous month, and for those consuming gas in large quantities the following graduated scale has been adopted, and the discounts are made from the established price of \$1.50 per one thousand cubic feet:

Any amt. up to and includ'g 3000 cub. ft. per month, disc't 35c, net price \$1.15  
Over 3000 up to and includ'g 5000 cub. ft. per month, disc't 40c, net price 1.10  
Over 5000 up to and includ'g 10000 cub. ft. per month, disc't 45c, net price, 1.05  
Over 10000 up to and includ'g 20000 cub. ft. per month, disc't 50c, net price, 1.00  
Over 20000 up to and includ'g 30000 cub. ft. per month, disc't 55c, net price, .95  
Over 30000 up to and includ'g 50000 cub. ft. per month, disc't 65c, net price, .85

And the Company wish further to announce that after June 1st, 1905, all gas bills that are not paid by the 10th of the month for all gas used during the previous month will be collected at the established price of \$1.50 per one thousand cubic feet.

There is no city anywhere the size of Barre, and but very few larger cities in New England, that sell gas at so low a rate.

## ABOUT THE STATE.

### Items of Interest Gleaned from Our Exchanges.

A petition in bankruptcy was filed Saturday by William Lissoc of Charlotte. He has liabilities of \$815 and assets of \$824. His occupation is given as that of laborer.

Sheriff W. H. Cobb of Middlebury went to New Haven Mills Saturday afternoon and arrested Joseph Rivers, a resident of this town, and later he arrested Cora Dickenson, wife of Olney Dickenson, at her home on Seymour street on a charge of adultery. They are now confined in the county jail.

Pontiac Tribe, No. 21, of the Improved Order of Red Men, was instituted in Chester Thursday evening, June 1, with thirty charter members. The degree work was exemplified by the degree team of Red Cloud Tribe, No. 18, of Springfield. Alexander Gilmore, great chief of records of the Great Council of Massachusetts, was present. A banquet followed the work.

The Central Vermont railroad was blocked nearly all the afternoon Saturday by a wreck a little way south of Milton. A brake rod broke on one of the cars near the pulp mill switch and threw one of the cars off the track. The train was going quite fast and it soon pulled several other cars off and seven or eight cars were piled up in a complete wreck. Four of the cars were loaded with heavy timber. The ground was plowed up and the rails twisted. The track was cleared about four o'clock. No one was hurt.

During the month of May the Burlington Humane society received 43 complaints and the necessary investigations were made in seven towns. At Takot's several horses were found unfit to work; others in Williston and Burlington. The owners either sent them to pasture or promised that they should have a chance to recruit. One horse was found on Colchester avenue in this city in a starving condition. There was nothing in the barn to feed it with and it ate a paper bag with avidity. The agent bought this horse, and hopes to save it by careful feeding. Four horses and 17 small animals were humanely disposed of.

Work is already well advanced in getting out the material for the new steamer for Lake Champlain which is expected to be put into commission June 15 of next year. Men are employed at Shelburne harbor in this work while the contractors for the machinery and steel construction are the factories in New Jersey. The machinery will be brought here in September and carpenters and machinists will put the hull of the steamer together at the ship yards of the C. T. Co., this winter and the boat will be launched in early spring. The new boat will be constructed along the lines of the Chateaugay and new Vermont and will be slightly smaller than the latter boat.

### Killed by Lightning.

George Schoolcraft, an East Alburg farmer aged 54 years, was killed by lightning about 4 o'clock Friday afternoon. The funeral was held Monday morning at the house. Burial will be in Riverside cemetery, at Swanton, under Masonic auspices.

Mr. Schoolcraft had been working in a field about half a mile from his home.

## APPEARING OLD

### Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, one's youthful appearance. It is impossible to do this without retaining a luxuriant growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.

Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

and evidently had started to return. About 5:30 o'clock the little daughter of a neighbor, Mr. Morris, reported to her father that Mr. Schoolcraft was lying in the road. Mr. Morris at once investigated the matter and found the dead man lying on his right side where he had fallen, his face being somewhat bruised by the fall.

Mr. Schoolcraft is survived by a wife, two children, two step-children, and several brothers, including Bert, of White River Junction, Walter, of East Alburg, Horatio of West Swanton, and a sister, Mrs. Kanner, of West Swanton.

Mr. Schoolcraft lived for a time in Highgate and while living there his house was struck by lightning and burned and the sole of one of his shoes was torn off.

### His Bold Offense.

John McClellan, an old offender, was arrested Saturday by the Burlington police on a charge of stealing several hundred dollars worth of wire from the Burlington Light and Power company. The theft was a peculiar one and was carried out in a brazen way.

The wire was that which formerly supplied the current for the street lamps. When the municipal lights were put in operation this wire was out of commission. McClellan conceived the idea of getting the wire and selling it. He took a team and with the aid of assistants climbed the poles and cut the wire, gathering it up and disposing of it to junk dealers at a good profit. It is estimated that the value of the stolen wire is about \$300.

### Huge Task.

It was a huge task to undertake the cure of such a bad case of kidney disease as that of C. F. Collier of Cherokee, Ia., but Electric Bitters did it. He writes: "My kidneys were so far gone I could not sit on a chair without a cushion and suffered from dreadful backache, headache and depression. In Electric Bitters, however, I found a cure, and by them was restored to perfect health. I recommend this great tonic medicine to all with weak kidneys, liver or stomach." Guaranteed by the Red Cross Pharmacy. Price, 50c.
